Network, develop friendships,
keep learning, and support other
girls and women in their
educational journeys

Discover Your Community with AAUW

Looking for more than just a membership? The Northern Palm Beach County branch of the **American Association of University Women (AAUW)** offers a dynamic community where you can connect, learn, and lead. We welcome both women and men who hold at least an Associate degree, embracing diversity in all we do. Join us and instantly gain access to a supportive network, engaging activities, and opportunities to make a tangible difference at local, state, and national levels.

Connect. Learn. Lead.

Enrich Your Life: Local to National Perks

Your AAUW membership comes with immediate, tangible benefits! Locally, enjoy monthly meetings with captivating speakers, join our bridge and book clubs, participate in social events, or explore with our "Out and About" group. These are fantastic ways to pursue lifelong learning and build friendships. Beyond local gatherings, your membership helps fund crucial programs like scholarships for local students, Tech Trek (our STEM camp for middle school girls), and college leadership programs. State-level access to the AAUW-Florida Leadership Conference and national resources for research and advocacy (including over \$6 million in grants for advanced degrees annually!) further expand your reach.

Engage. Discover. Grow.

Be a Part of Our Story

Our Northern Palm Beach County branch thrives because of engaged members like **you**. Your passion makes our mission possible. As a volunteer-driven organization, active committee involvement is the best way to get the most out of your membership and directly impact our community. **We meet the third Monday of each month, September through April, at 6:30 PM at the North Palm Beach Library** (303 Anchorage Drive). Mark your calendar for our special Holiday event in December and year-end dinner in May! Since 1881, AAUW has been the nation's leading voice for equity and education.
